Who we are...

Founded in 2016, British Women In Colorado (BIC) is a group of like minded women who share a common British heritage.

We welcome new members, and provide support and friendship, whilst pursuing local philanthropic endeavours.

What we do...

We host at least two fundraising activities each year, with the profits being donated to selected local charities.

How we do it...

Our group gathers on the third Saturday of each month, typically at a member's home, for a General Meeting, cups of tea, a potluck lunch, and socialising.

Our members were born in the United Kingdom or British Commonwealth or have at least one parent who was.

Our Board...

The BIC Board meets monthly to vote on the implementation of ideas and suggestions from the general members whilst continuing to nurture the welfare of our members.
